

Contracting Division Manager

- Senior leadership role
- Competitive remuneration plus vehicle
- Opportunities for growth

About the Company

Advanced Building Services Wellington Limited (ABS) undertakes maintenance, repair, engineering and contracting works on mechanical, electrical and hydraulic services for owners of commercial buildings. Their portfolio includes some of Wellington's most prestigious and technically advanced sites.

Established in 1992, ABS is a 100% wholly NZ owned business that has grown from strength to strength. They have built their reputation on being a highly responsive and credible business based in a fast paced and highly competitive environment. They strive to provide a superior client experience, strong support for their people and to create an environment where high performance and commitment is recognised.

About the role

The Contracting Divisional Manager is a critical senior member of the ABS team and is responsible for the efficient, effective and profitable management and operation of the Contracting Division.

Based in this Project Management environment, your high level areas of focus include:

- Management and leadership of the Contracting Division
- Pre-contract / tender management
- Contract management for assigned work/clients
- Financial oversight and delivery success

About you

For you to be considered and to succeed in this role you will need:

- A technical background which includes a trade qualification in some / all of HVAC, Electrical and Plumbing & Drainage
- Previous exposure to a project/contract management environment
- Strong people management and leadership skills
- A high level of commercial and contractual awareness
- You must be legally able to live and work in New Zealand

If you are looking at your next career move where you are recognised and appreciated for your strong technical, commercial and people management/leadership skills, please send your Curriculum Vitae and Cover Letter to sandy@s2recruitment.co.nz

For a copy of the Position Description or for any further information, please call Sandy on 021 2775882.
